

Sunnybrook
Children's Home

ASA of Mississippi has teamed up with Sunnybrook Children's Home as part of their annual philanthropy project. ASA members will be building a sand volleyball court on the Sunnybrook property. This project was introduced in December 2018 and is now (because of weather delays) ready to be built. Any donations to this project are welcome.

Labor and Equipment donated by Bulldog Construction

Sand donated by W.E. Blain & Sons
